Chapter 17 The History Of 17.1 The Westward Spirit. While a few bold settlers had moved westward before the middle of the nineteenth century, they were the exception, not the rule. The “great American desert,” as it was called, was considered a vast and empty place, unfit for civilized people. In the 1840s, however, this idea started to change, as potential settlers began to learn more from promoters and land developers of the economic opportunities that awaited them in the West, and Americans extolled the belief ...
