qualitative research methods with a focus on critical discourse analysis.

It is oriented to introduce the

participants with critical discourse analysis approach and engage them into the discussion of how to incorporate CDA in research design and ... Qualitative Research

Methods: Critical Discourse Analysis

... Critical discourse analysis is an interdisciplinary approach to the study of discourse, or put simply talk and text, that views language as a form of social practice.

Scholars working in the tradition of CDA generally argue that social practice and linguistic practice constitute one another and focus on investigating how societal power relations are established and reinforced through language use. In this sense, it differs from discourse analysis in that it highlights issues of power asymmetries Critical discourse analysis -
