It's easy to search Wikibooks by

topic, and there are separate

sections for recipes and childrens'

texbooks. You can download any

page as a PDF using a link provided

in the left-hand menu, but

unfortunately there's no support for

other formats. There's also

Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.
