Ebook Daneille Steel's book, Jewels, is a very romantic

book. I like how she turned a character from depressed

to a person that she never thought that she would turn

out to be. I also like how she portrayed the life style of

a rich family and their morals.

Think of this: When you have titles that you would like

to display at one of the conferences we cover or have

an author nipping at your heels, but you simply cannot

justify the cost of purchasing your own booth, give us a
