... Synopsis. About this title. As the  
long-time best-seller, Garrison has  
helped guide close to 2 million  
students through the challenging  
waters of managerial accounting  
since it was first published. It  
identifies the three functions  
managers must perform within their  
organizations-plan operations,  
control activities, and make  
decisions-and explains what  
accounting information is necessary

for these functions, how to collect it, and how to interpret

it. 9780072834949: Managerial Accounting (11th Edition
