Entrepreneurial State | Mariana Mazzucato The Entrepreneurial State: Debunking Public vs. Private Sector Myths is a 2013 book written by Mariana Mazzucato which argues that the United States ' economic success is a result of public and state funded investments in innovation and technology, rather than a result of the small state, free market doctrine that often receives credit for the country's strong economy. The Entrepreneurial State - Wikipedia What are the myths about the public sector and private sector that you say need to be debunked? Mariana Mazzucato: The myth is of a dynamic, creative, colourful, entrepreneurial private sector, that at most needs 'unleashing' from its constraints from the public sector. The latter is instead depicted as necessary for fixing 'market failures' (investing in 'public goods' like infrastructure or basic research) but inherently bureaucratic, slow, grey, and often too 'meddling'.
